### MINIBRE"
**TOP REASONS TO ATTEND MVC**

The Suburban Collection Showplace located in Novi, MI, will be home to the 2023 MVC. Not only does this venue offer a ton of space, but the amenities will make your time with us much more enjoyable.

- **NEW General Session** will feature star of the hit show *A Vet Life* and veterinarian, Dr. Diarra Blue. Be prepared for a session that will both enrich and challenge you as a professional.
- You can explore the Veterinary Practice Marketplace with over 100 exhibitors to welcome you. Lots to explore with new, exciting experiences and events awaiting you there. As a bonus, MVMA staff, legislative advisors and DEI committee members will be available to answer your questions at the MVMA booth!
- **Lunches and other refreshments** are included with your registration fee at no additional cost to you.
- You can engage with colleagues and content leaders as you share new ideas that you can implement back at your practice. With 150 hours of quality CE, you will learn from industry leaders as they present up-to-date continuing education and offer improved ways to approach veterinary medicine.
- **MVC** is also a time to recharge your batteries. We all deserve a little down time. Being rejuvenated with NEW experiences and knowledge will benefit you and your practice as you approach a new year. Your new knowledge can improve patient care, client relationships and workplace operations.
- MVMA is working tirelessly with the venue to ensure everyone in attendance feels comfortable and can enjoy the conference offerings. MVMA has and will continue to develop protocols to ensure your safety is priority one.
