

**You provide the highest level of care for your patients.  
Are you offering the same level of  
retirement security to your employees?**

Smaller employers have faced a number of obstacles when it comes to offering their employees a retirement plan. High operation costs, numerous fiduciary responsibilities, payroll integration challenges—all with a limited human resources staff.

But recent legislation has made access to retirement plans easier than ever before for organizations like yours.

**Join us on Wednesday, June 10 at 12 p.m. ET for a special webinar exclusively for MVMA members. We'll discuss:**

- New legislation, and the impacts and opportunities it can have for small employers
- Opportunities and challenges of new multiple employer plan (MEP) regulations
- Ways to maximize access to the increased small-employer pension plan startup tax credit
